

## Introduction

- Buy your yearbook
- Buy your yearbook ad
- Buy a yearbook or ad
- Buy spiritwear
- Buy school stuff

# School Website Banner Catalog

Get the attention of your school community by placing one of our banners on your school's website. Our banners are a quick, easy way to tell your school community they can purchase yearbooks and ads online.

To set up your school banners:

- Beginning Aug. 7, 2009, you will receive your banners via email upon enrollment in the Online Sales Program. The email will include the HTML code for your school's banners. You can choose from five messages in four sizes.
- Send the HTML code to your IT director or webmaster. The link specific to your school will be included.
- Your IT director or webmaster will identify the available area on school website and select the appropriate banner size.
- Watch your sales start!
