Winter Spirit Week 37

Theme: "Just breathe"

Every school has their fair share of "dress up" days. How do you keep this topic fresh year after year? The *First Flight* staff came up with a solid idea. By creating a visual grid, they were able to list the days along the side and the grade levels up top. Cutout, miniaturized students – think paper dolls – give this page a festive flair. This is a fantastic way to flaunt those silly costumes without cluttering up your book.
