Varsity football struggles against state-ranked champions Ennis

After winning the school's first district title in 2015, Varsity is attempting to win it again.

"I really have no doubts on what we can do," Quarterback **Zake Kuyawa (14)** said. "I'm not feeling any pressure. I just like to play well."

Despite losing the first game to Ennis, the 2015 State Champions, with a score of 39-0, the boys won the second game against Middlefield High School.

"It was a sigh of relief to win against Middle since we lost against Ennis after being up 21-0 in the first quarter," Safety **Russell Gary (14)** said.

After the initial loss, Varsity Offensive Line Coach **Gymnasium Harris** tried to keep his team's spirits up.

"I told them it was only the first game of the season (and) we did some good things on both sides of the ball," he said, "but we have a lot of room to improve."

One game at a time is how Defensive End **Lobys Davidson (12)** is focusing.

"Each week we will continue to get better and play as a team," he said.

Linebacker **Craig Jim-Larson (11)** also isn't worried.

He said, "We have a lot of returning players so I feel like they know their position well."

The team has a great opportunity to return to playoffs, **Harris** said.

"If we complete this task, it would be the first time in the history of Timberline football," he said. "People do not remember what you did and accomplished in August, more that are remembered in December." *By Eric Montgomery*

As he tries to scramble out of the pocket, **Devin Williams (12)** sprints down I on Memorial Stadium. He scored one touchdown and had two assists. He said, "When I'm on the field, I think about making the right reads and getting the first down, and eventually getting a touchdown." Including himself from the team, **Audricka Gaines (11)** sits on the bench after the loss. The first game of the season wasn't in **McDermis** said, "Although it didn't mean anything in the books, it meant something to us." **Anthony McDermis (12)** gets in position before the play starts. As the defense lined up, they made adjustments based off the offense. He said, "We had some unnecessary flags that counted against us but at the same time, we should not have given up a 21 point lead." Kneeling during the National Anthem, **Donovan Roper (12)** holds the flag while **Travonne Armstrong (12)** prays. Roper said the flag kept him focused. "We're here to make a stand and claim what's ours. I'd been waiting for that game," Roper said. "We lost that one but we'll get them back in the second round."
